**Urgent application regarding transport in summer holiday 2014**

I am making this urgent application as it concerns access over this summer holiday.

I have a period of access with Tatjana and Sophia from the 19<sup>th</sup> July – 10<sup>th</sup> August 2014. Maria agreed to drop the girls at the airport on Saturday 19<sup>th</sup> July, and fetch them again on Sunday the 10<sup>th</sup> August.

When I originally made transport plans with Maria, our intention was to travel straight to South Africa for the three weeks. However, due to many delays by Maria in deciding on which dates I could have the girls, our plans to travel to South Africa have had to change, and I have had to make other plans.

When I informed Maria of the change in destination of the flight (ie, the girls will be flying to Barcelona, the closest airport to us with a direct flight from Copenhagen, and not to South Africa), she refused to drop the girls at the airport on the Saturday, saying that she would only do that if the girls were to fly directly to South Africa. I attach the email correspondence regarding this.

I am therefore asking for a ruling on transportation that, for this summer holiday, the transport to and from the airport in Copenhagen be Maria's responsibility. The details are:

- Saturday 19<sup>th</sup> July 20:30. Norwegian Air, DY5175. The girls need to be at the airport at 18:30.
- Sunday 10<sup>th</sup> August. The girls will arrive in Copenhagen at 13:35 on DY3657.

I will make a separate application that, in the future when the girls are going to fly to visit us, transport to and from the airport in Copenhagen be Maria's responsibility.

Yours sincerely,

Jason Armstrong
